ALL HALLOWS FOOTBALL TEAM IS STRONG ONE

The prospects for a first-class team at All Hallows college is brighter than it has been for many seasons past, and Coach Tobin is confident that he will be able to turn out a better eleven than inst year. He has a squad of about twenty-five men working at present, where in past seasons he has worked with about fourteen men, and he says he has some good timber. With a better team than last year All Hallows stands in line to win the Utah championship. The boys played the other high schools to a standstill last season and were not far behind the title.

Tobin says he will get two games with Ogden and one game with the Salt Lake high school, probably two with the latter. The dates of these games have not been fixed as yet, but All Hallows will try to play Ogden on Thanksgiving day. The latter wishes to play an out of the state school on "turkey" day, which, if not scheduled, will be open.

MATCH BALL GAME AT WALKER'S FIELD TODAY

The Occidental and Sair Lake base-ball teams will meet in a match game on Friday at 3:30 at the Walker field. The Occidentals have returned from their second Idaho trip, having toured the state without losing a game, and expect to continue the winning streak by adding the scalp of the White Wings. The Sair Lake team is in excellent condition, the boys having practiced hard every day, and claim if they lose it will be by the closest score of the season.

Behr had a close contest in the morning

Byers was three down to Herreshoff on the first eighteen holes and he kept his oppouent waiting fully an hour after the other three pairs had teed off for the second round. Herreshoff did not worry over the delay, but started in determinedly and with telling effect, winning out by nine up and eight to play.

Tomorrow Travers and Travis and Herreshoff and Behr will meet in the semi-final rounds.

Entries for Anacouda.

Only one week is left for the high school football team to round into shape for the first game of the senson. The remainder of the week will be spent in scrimmage work, so that Coach McNiewe can have a line on each man's ability when it comes to picking the bunch for the Logan game. At least two men will be tried out in each position. Two more games were added to the schedule Thursday, when Manager Stout signed the contract with Manager Carlson of the Ogden high school. The first game will be played in Salt Lake City on October 24, and the second in Ogden on November 14. It has always been the custom to play a Thanksgiving game with the Ogden high school, but the big game scheduled in Spoigne comes on that date. When arrangements for a game with All Hallows college and Granite high school are completed all the dates will be taken on the high school schedule. FAMOUS KICKER RESIGNS AS FOOTBALL CAPTAIN

Dachschund Class Changes.

Superintendent Hansing of the Kennel club show, to be held at the coming state fair, announces that on account of the entry of three imported Dachschunds from Boulder, Colo., it is necessary to change the classification to conform with section 7, rule 1, of the American Kennel club's rules. Accordingly the premium lists will include the following, in all classes: classes: Dackschunds, black and tan; dach-schunds, liver color and brown; dach-schunds, tiger colored.

Horsemen to Organize.

The state board of horse commissioners has issued a call for a meeting to be held in this city during state fair week, for the purpose of organizing the Utah horse breeders' association and to discuss all subjects pertaining to the horse title all subjects pertaining to the histories.

It has long been felt that such an organization would prove visitable to the horsemen, and every effort will be made to perfect the organization and place it upon a sound footing. The exact date of the meeting and place where it will be held is to be announced later.

free from all blemishes and eruptions; but when some acid humor takes root in the circulation, its presence is quickly manifested by some form of skin disease. The skin receives its necessary nourishment and strength from the blood. When, however, this vital fluid becomes a humor-laden stream, it can no longer preserve the healthy, natural appearance of the skin, but by its acrid, impure nature continually irritates and inflames the delicate tissues and fibres and keeps the cuticle in a diseased and disfigured condition. External applications cannot reach the blood, and therefore are beneficial only for their ability to reduce inflammation, and assist in keeping the parts clean. To cure any skin trouble the blood must be purified of the humors that are causing the trouble. S. S. S. drives out the humors from the blood so that the skin, instead of being irritated and diseased, is nourished by a healthy, cooling stream. S. S. S. goes down into the circulation and removes every particle of impure matter, all acids and humors, and restores the blood to its normal, pure condition, thereby curing every form of skin disease or affection.
